Nadia Williams, Social Investment Officer

It is a pleasure to publish this very special issue of MADE! When we throw out a challenge to our RBL staff they certainly rise to the occasion with passion and creativity! On April 14, we launched #181GoodDeeds, inviting our teams across T&T to mark International Good Deeds Day by making a difference in the lives of those most in need in their communities. The month-long initiative was further extended to incorporate an element that would pay tribute to our 181st anniversary on May 15. The beauty of #181GoodDeeds was that staff members weren't mandated to partake in the initiative – the entire campaign was voluntary. But staff courageously answered the call resulting in waves of love, joy and Republic cheer across Trinidad and Tobago.

Congratulations again to all staff who dedicated their time and energy to making #181GoodDeeds a success! We salute you and thank you for making a difference.

Rio Claro

1 Branch - 8 Deeds - 1 Purpose

What wonderful things were achieved by our Rio Claro branch as they committed to 8 acts of kindness in 8 days! Kicking things off were the Sales and Support Departments who led the charge by assisting elderly customers in crossing the busy roadways, providing dinner to a family in need and hosting a storytelling morning at the Rio Claro Presbyterian Primary School. The Sales, Commercial and Compliance departments came together to treat S.E.A. students at various schools, provide one month's supply of groceries to a family in need and host a Mother's Day function to honour customers. The Treasury Department played their part too, gifting two deserving students of the Rio Claro APS Vedic Primary School and the St. Therese R.C. Primary School with stationery supplies.
